

## Are you our future CCO? HelloProf is hiring: an experienced Chief Commercial Officer

### What does HelloProf offer?

HelloProf offers a unique opportunity to be our first CCO to strengthen an innovative team with your fresh ideas. You will become the driving force behind HelloProf. It is of course also an educational adventure; our motto is "never stop learning". Because HelloProf has become Flanders' largest private education organization with international ambition, we are looking for an experienced CCO to complete and manage our passionate team.

HelloProf wants to give everyone the opportunity to learn from the best. Mathematics explanation, French conversation lessons, a refresher course in law, business English... thanks to our international network of qualified tutors, HelloProf prides itself on finding the perfect match for any private education request. HelloProf operates via [bijleshuis.be](http://bijleshuis.be), [bijleshuis.nl](http://bijleshuis.nl) and soon also [helloprof.com](http://helloprof.com). Our headquarters are located in Ghent and our teachers are active throughout Flanders, Brussels and the Netherlands.

### Why choose HelloProf?

You will end up in the **coolest working environment in Ghent**. HelloProf consists of a growing team of 15 enthusiastic colleagues. Prepare for free lunch on Mondays, a quarterly spectacular teambuilding, and once a month an ice-cold beer to start the weekend together.

Our office is located in the center of Ghent, within walking distance of the Korenmarkt.

We offer a **full-time position** of indefinite duration with a competitive salary according to your profile with the current **fringe benefits**.

### What does a CCO do at HelloProf?

- You manage our marketing team and you contribute to the international growth of HelloProf in order to give even more students access to the support they need. From valuable operational improvements to completely new features, your impact on HelloProf is immediately measurable.

- You work out campaigns conceptually and you enjoy the occasional experiment.
- You manage the budgets.
- You build a bridge between UI / UX and the tech team.

### **Who are we looking for?**

We are looking for a driven colleague with a substantial portion of ownership. You have both a Master's degree and at least 5 years of experience in a similar position and you are ready for the next step in your career.

You also have the following competences:

- Experience with B2C is a plus
- Experience in software, web apps or marketplaces is important
- You speak English fluently
- You are a born leader, entrepreneurial and commercial-minded.

**Are you willing to go on this adventure with HelloProf? Don't hesitate to give us a call or send your resume to [geraldine@helloprof.com](mailto:geraldine@helloprof.com). We're hoping to see you soon!**
